

# And More Essays On Standards Grading And Other Follies: A Must-Read for Educators

In *And More Essays On Standards Grading And Other Follies*, author Alfie Kohn argues that the current state of education in the United States is in a state of crisis. He points to the overemphasis on standardized testing and grading, which he believes has led to a narrowing of the curriculum and a decrease in student creativity.

## What Does It Mean to Be Well Educated?: And More Essays on Standards, Grading, and Other Follies
