

Crest to Crest: Riding the Boomer Wave

By [Author Name]

The baby boomer generation is the largest generation in American history. Born between 1946 and 1964, boomers came of age during a time of great social and economic change. They were the first generation to grow up with television and rock 'n' roll. They were the first generation to experience the Vietnam War and the Sexual Revolution. And they were the first generation to reach adulthood during the rise of the personal computer and the internet.
