## **What is LitRPG?**

LitRPG is a subgenre of fantasy that combines elements of role-playing games (RPGs) with traditional fantasy storytelling. In LitRPG novels, the characters often have stats and abilities that are similar to those found in RPGs. They also often gain experience and level up as they progress through the story.

Crystal Shards Online is a LitRPG novel that follows the conventions of the genre. The characters have stats and abilities, and they gain experience and level up as they progress through the game. However, Crystal Shards Online also features a unique and engaging story that will appeal to readers of all genres.
