

First International Workshop IWAI 2024 Co-located with ECML PKDD 2024 Ghent

Interpretable and Explainable Machine Learning (IEML)

The First International Workshop on Interpretable and Explainable Machine Learning (IWAI 2024) will be held in conjunction with the 26th European Conference on Machine Learning and 15th European Conference on Data Mining and Knowledge Discovery (ECML PKDD 2024). The workshop will take place on **September 19, 2024**, in Ghent, Belgium.

IWAI 2024 aims to bring together researchers and practitioners working on the interpretability and explainability of machine learning models. The workshop will provide a forum for discussing new methods, techniques, and applications of IEML.

Workshop Topics

- Interpretable and explainable machine learning algorithms
- Methods for evaluating the interpretability and explainability of machine learning models
- Applications of interpretable and explainable machine learning in various domains
- Ethical and societal implications of interpretable and explainable machine learning

Important Dates

- **Paper submission deadline:** March 15, 2024
- **Notification of acceptance:** May 15, 2024
- **Camera-ready paper submission deadline:** June 15, 2024
- **Workshop date:** September 19, 2024

Submission Guidelines

Authors are invited to submit original research papers that address the topics of the workshop. Papers should be formatted according to the ECML PKDD 2024 submission guidelines.

All submissions will be peer-reviewed by a team of experts in the field. Accepted papers will be published in the ECML PKDD 2024 proceedings.
