The novel follows the journey of Jani Killian, a young woman from a backwater planet who dreams of exploring the stars. When she is chosen to join the crew of the starship *Great North Road*, she embarks on an adventure that will take her to the farthest reaches of the galaxy.

Along the way, Jani encounters a cast of unforgettable characters, including the enigmatic Captain Eldric Olson, the brilliant scientist Dr. Avram Sören, and the enigmatic alien known only as the Outsider. Together, they face the challenges of space travel, the dangers of alien encounters, and the mysteries of the universe itself.

Great North Road is a complex and thought-provoking novel that explores the big questions of life, the universe, and everything. It is a story about the human spirit, the power of dreams, and the search for meaning in a vast and indifferent universe.

Praise for Great North Road

- "Great North Road is a masterpiece of space opera. Peter Hamilton has created a vast and complex universe that is both awe-inspiring and thought-provoking." - Goodreads

- "Hamilton's writing is superb, his characters are unforgettable, and his story is epic. Great North Road is a must-read for fans of science fiction." - Our Book Library
- "Great North Road is a sprawling, ambitious space opera that will keep readers entertained for hours on end. Hamilton's world-building is superb, and his characters are complex and well-developed." - Barnes & Noble

About the Author

Peter F. Hamilton was born in Rutland, England, in 1960. He worked as a software engineer before turning to writing full-time in 1993. He is the author of over 20 novels, including the Commonwealth Saga, the Void Trilogy, and the Salvation Sequence. His work has been translated into over 20 languages.

Hamilton is known for his complex and ambitious space operas, which explore the big questions of life, the universe, and everything. His work has been praised for its rich world-building, its unforgettable characters, and its thought-provoking themes.
