In his gripping and insightful memoir, veteran journalist Robert Fisk takes us on an extraordinary journey into the front lines of international reporting.

From the Iranian Revolution to the rise of ISIS, Fisk has witnessed firsthand some of the most pivotal moments in global history. He has covered countless wars, including the Lebanese Civil War, the Gulf War, and the Syrian Conflict.

In 'On My Watch', Fisk shares his unique perspective on these events, providing an unparalleled insight into the complexities of international affairs. He offers a powerful critique of Western foreign policy, and exposes the human cost of war and conflict.

But 'On My Watch' is more than just a political memoir. Fisk is a master storyteller, and his book is a riveting account of his adventures and misadventures as a foreign correspondent.

We follow Fisk as he travels to the most dangerous and volatile parts of the world. We meet the people he has encountered along the way - from warlords to victims of violence. And we experience the dangers and challenges of reporting from the front lines.

'On My Watch' is an unforgettable book that will stay with you long after you finish reading it. It is a must-read for anyone interested in journalism, international affairs, or the human cost of war.

A Few Reviews of 'On My Watch'

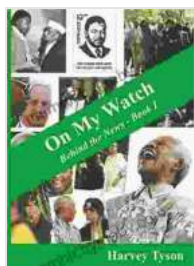

“A brilliant and insightful memoir from one of the world’s most respected journalists.” – The Guardian

“Fisk is a master storyteller, and his book is a riveting account of his experiences as a foreign correspondent.” – The New York Times

“A powerful and important book that deserves to be read by everyone.” – The Washington Post
