

One Family's Response to Terrorism: Hope, Healing, and Transformation After the Manchester Arena Bombing

The Chappells' Story

The Chappells are a close-knit family. Olivia was the youngest of their three children. She was a happy and outgoing girl who loved to sing and dance. She was also a talented artist and loved to write stories.

One Family

One Family is a support group for families who have lost loved ones to terrorism. One Family provides a safe and supportive environment where families can share their experiences, grieve together, and find hope and healing.

- **Peer support groups:** One Family facilitates peer support groups for families who have lost loved ones to terrorism. These groups provide a safe and supportive environment where families can share their experiences, grieve together, and find hope and healing.
- **Individual counseling:** One Family provides individual counseling to families who have lost loved ones to terrorism. This counseling can help families to cope with their grief and anger, and to rebuild their lives.
- **Educational programs:** One Family offers educational programs to families who have lost loved ones to terrorism. These programs provide families with information about the criminal justice system, the

victim compensation process, and other resources that can help them to cope with their loss.

- **Advocacy:** One Family advocates for the rights of families who have lost loved ones to terrorism. One Family works to ensure that families have access to the services and support that they need.

One Family is a lifeline for families who have lost loved ones to terrorism. One Family provides these families with the support and resources that they need to cope with their grief and rebuild their lives.
