## **A Comprehensive Guide to Mexican History**

The dictionary is divided into three chronological sections: the pre-Columbian era, the colonial period, and the independent period. Each section provides an overview of the political and cultural landscape of the time, followed by detailed biographies of the rulers who held power. These biographies include information on the ruler's birth and death, their reign dates, their accomplishments, and their legacy.

The dictionary also includes a number of helpful appendices, including a timeline of Mexican history, a glossary of terms, and a bibliography of recommended readings. These resources make the dictionary an even more valuable resource for students, scholars, and anyone else interested in learning more about Mexico's rich and complex history.

## **Contributions to the Study of Music**

In addition to its value as a historical reference, the Dictionary of Mexican Rulers 1325 - 1997 also makes significant contributions to the study of music. The dictionary includes biographical information on over 50 Mexican musicians, from composers to performers to music educators. These biographies provide insights into the lives and careers of some of Mexico's most important musical figures.

The dictionary also includes a number of essays on the history of Mexican music. These essays cover a wide range of topics, from the development of popular music genres to the role of music in Mexican political and cultural

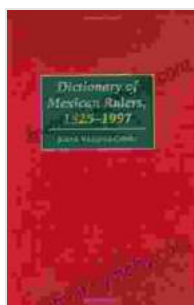

life. These essays provide a valuable overview of the history of Mexican music and its importance to Mexican culture.

## A Must-Have Resource for Scholars and History Enthusiasts

The Dictionary of Mexican Rulers 1325 - 1997 is an essential resource for anyone interested in the history of Mexico or the study of music. This authoritative volume provides detailed information on over 200 Mexican rulers and 50 Mexican musicians, as well as a number of helpful appendices and essays.
