Detective Gina Harte is a gripping crime thriller that will keep you on the edge of your seat from the very first page. When a young woman is found murdered in her apartment, Detective Gina Harte is assigned to the case. As she investigates, she soon realizes that there is more to this case than meets the eye.

The victim, Sarah Jones, was a brilliant scientist who was working on a top-secret project for the government. Gina soon discovers that Sarah was involved in something dangerous, and that her murder may have been more than just a random act of violence.

As Gina digs deeper into the case, she uncovers a web of secrets and lies. She must race against time to find Sarah's killer before they strike again. But as she gets closer to the truth, Gina realizes that she is putting her own life in danger.

Detective Gina Harte is a fast-paced, suspenseful thriller that will keep you guessing until the very end. Gina is a complex and well-developed character, and her determination to find Sarah's killer is admirable. The plot is well-crafted, with plenty of twists and turns to keep you entertained. If

you're a fan of crime fiction, then you won't want to miss Detective Gina Harte.
