

Unveiling The Darkest Legacy: A Captivating Journey into the Depths of The Darkest Minds

The Darkest Minds: A Dystopian Masterpiece

In the wake of a devastating pandemic that has ravaged the world, a sinister phenomenon has emerged: children and teenagers are developing

extraordinary abilities. Branded as "Psi" kids, these young individuals possess powers that range from telekinesis to mind control. But their gifts come at a price.

The government, fearing the potential threat posed by these Psi kids, has rounded them up and imprisoned them in internment camps. Among these prisoners is Ruby Daly, a sixteen-year-old girl with the ability to read minds. Ruby has spent years in captivity, enduring the horrors of the camps and the constant fear of being discovered.
