

Visual History of Protest in the United States Inspires Young Readers

Young Person's Visual History of Protest in the United States is a powerful and inspiring book that chronicles the history of protest in the United States through stunning visuals and engaging text. Perfect for young readers, this book is a must-have for any home or classroom library.

The book begins with the early days of the United States, when protests were often met with violence and suppression. But over time, protest has become a more accepted and effective way to bring about change. The book documents some of the most important protests in American history, including the abolitionist movement, the women's suffrage movement, the civil rights movement, and the anti-war movement.
